

BILL OF SALE

Roberts Creek Water District

WHEREAS, the Roberts Creek Water District (“Water District”) has historically provided domestic water supply services within its service area in Douglas County, Oregon (“the Services”); and

WHEREAS, on May 18, 2021, the voters of Douglas County approved the dissolution of the Water District as well as the formation of the Green Area Water and Sanitary Authority (“the Authority”), and the board of directors of the Authority has agreed to assume the obligations of the dissolved Water District and to continue to provide the Services; and

WHEREAS, the board of trustees for the dissolved Water District and the board of directors for the Authority desire and intend that certain items of personal property necessary or useful to provide the Services be transferred from the Water District to the Authority;

NOW, THEREFORE:

- The Roberts Creek Water District does hereby transfer all right, title and possession of that property described in Exhibit A, attached hereto and by this reference incorporated herein, to the Green Area Water and Sanitary Authority, effective the day and date written below.
- The transfer is made "as is" and the Water District makes no representations regarding, and expressly disclaims any warranty of, the condition of the property, or its fitness for any particular purpose.
- There is no monetary consideration. As consideration for this transfer, the Authority shall assume all duties, rights and obligations for the provision of the Services within Douglas County.

Dated this 29th day of June, 2021.
